Trading Tales & shopping stories

A competition to find Bristol's favourite local independent businesses

Does your greengrocer sell seasonal surplus from the allotments down the road? Would your local hardware store order a sewing machine lightbulb, especially for you? Does your corner shop make free home deliveries to older residents? Help us to find Bristol's hidden gems and unsung heroes among our local independents.

TWO WAYS TO WIN!!

1. Take a photo of your favourite independent business which captures just what you love about your local. Upload the photo to our website, or put a copy in the post.
2. Tell us just what makes your favourite independent special. Enter via our website or by post. Or shrink your shopping story into 140 characters to send your entry by Twitter.

The competition launches on 4 July 2013. We'll pick two winners at the end of each month, till we run out of prizes!

Return your entry by post to:
